*Welcomes!*  
Advanced  
Industrial Services  
**GRAND  
OPENING**

The Advanced Industrial Services Toledo Branch is proud to present their new 56,000sf office location and painting facility. On August 20th, an Open House was held to kick-off the grand opening of the facility. Throughout the day, demonstrations were given in both the blast booth and paint booth to show off the state-of-the-art capabilities to the visitors.

The two 10 Cubic Blast Pots recycle steel grit media through our state-of-the-art reclamation unit. Steel Grit media can be recycled 50 to 100 times; thus reducing waste, clean-up and disposal requirements.

Our 48,000 CFM Dust Collector improves visibility, safety, and quality of surface preparation while blasting.

For more information, contact the Toledo branch at 419-661-8522 or visit [www.AdvancedIndustrialServices.com](http://www.AdvancedIndustrialServices.com).
