2015 SAIA CONVENTION & EXPO PHILADELPHIA, PA - JUNE 10TH 2015

Vertical Access Solutions participated in the Scaffold Builders Challenge. The challenge took place between 4 major scaffold erection companies. Teams were judged on Safety, Efficiency, Quality, and Organization while erecting a pre-designed scaffold. The scaffold was one lift high with stairs, ladder, and an 8-foot cantilever deck.

The Vertical Access Solutions Team included 4 Union Carpenters: Aaron Nicholson, Herschel Rugg, Daryl Morgan, and Felix Roman and they placed 2nd overall in the competition. Congratulations to the team for a job well done!
